

Cancellation of Spring 2020 Training Series

Due the continued coronavirus pandemic we are cancelling all courses from our Spring 2020 series.

As was stated previously, individuals who have registered and paid for a class may either: wait to take the rescheduled courses, obtain a credit for a different course in the future, or request a full refund. To request a refund or if you have any additional questions/concerns, please contact Rachael Molina at rmolina@cssny.org or call 212-614-5338. Please note refunds will take a while to process

BPLC staff continue to work remotely, go to https://bplc.cssny.org/home/contact_us if you need to contact us.

Lastly, we are in the process of sending out a survey (look for a separate email later today) to collect information from you in an effort to create webinars.

Hope you and your families are well.

BPLC Staff
